## MORE

### STEAM Street

STEAM Street, presented by Toyota Alabama, celebrates the intersection of Science, Technology, Engineering, ART, and Math. Festivalgoers will be able to go on an Art Scavenger Hunt using Geocaching, compete in a circuit board dance challenge, explore the science of a soaring sauté, and build a kinetic kaleidoscope. Be sure to launch your STEAM Street adventures with NASA Marshall Space Flight Center's exhibits and interactive experiences.

### CREATIVITY CORNER and COMMUNITY

Art adventures intersect at Panoply's Creativity Corner where kids of all ages can create and learn about Haiku poetry, Pointilism, and more. Don't miss out on the Community Art Project UNITY - a large-scale, temporary, interactive public art project - first debuted at the festival in 2017. UNITY brings the community together to create a larger-than-life circular structure during Panoply that simultaneously celebrates our uniqueness and demonstrates how we are all interconnected and stronger when we come together.

Panoply Community Outreach Tickets pres. by Tami and Jim Bolte

### GUEST SERVICES

Lost & Found is located at the Panoply Information Booth.

Your voluntary participation in the Panoply Arts Festival is acknowledgment of all risks incidental to the enjoyment of the festival experience.

Panoply is a no smoking, no vaping, GREEN event! Please take advantage of the recycling bins provided by Operation Green Team.

### ABOUT ARTS HUNTSVILLE
